To all our export customers

Subject: New Transport Security Administration regulations for screening of cargo

As of February 1st, 2009 50% of all cargo loaded on Passenger Aircrafts must be screened. The goal is to get to 100% screening of all freight within 1 year. —

TSA request that we need the shippers written authorization to screen your cargo.

- a) State that the shipper authorizes consent to screen all cargo tendered by the shipper from the date of the notification forward.
- b) Be obtained by the Freight Forwarder from the shipper on the shipper's business letterhead or business contract. (Faxed copy is accepted)
- c) Contain the shipper name, address, phone and contact person and must be addressed to **R.A.V. Services Inc. dab Interfreight****
- d) Must be dated

We therefore kindly ask you to fax us on your letterhead the following:
